

Lab Assistant

Pathfinder Higher Secondary Public School – Siliguri, West Bengal

Job Description

We are looking for a talented and highly-analytical Lab Assistant for Physics, Chemistry & Biology to join our Pathfinder Higher Secondary Public School, Siliguri

>> Responsibilities:

- Prepare samples for testing using various laboratory equipment.
- Maintain all laboratory records.
- Comply with the correct procedures, policies, and health and safety regulations.
- Conduct laboratory tests, analyze results and document your findings.
- Stay informed with the latest industry trends, techniques, and best practices.
- Document all activities, results and report back to management.
- Clean and sterilize equipment and work area.
- Collect and prepare research and information needed for studies.
- Classify and label samples.
- Undertake basic administrative tasks such as filing and answering telephones.

>> Requirements:

- Bachelor's degree in Physics/Chemistry/Biology/Medical Technology or relevant field.
- A minimum of 2 years' experience in a similar role.
- Good understanding of laboratory information systems and automated laboratory equipment.

>> Scope of Work:

As the Lab Assistant, you will work under our senior faculty & assist the students to process samples, perform tests and record and analyze results. The successful candidate will have in-depth knowledge of lab procedures and understand the importance of maintaining a clean workspace by following all lab regulations. In addition to having strong attention to detail, you must be responsible to the students for health and safety.

If you thrive in fast-paced working environments that require a professional with drive and exceptional analytical skills, then you could be our ideal candidate.

>> Salary: ₹8,000.00 to ₹10,000.00 /month
